

Please vote Alfie Harris for Rochdale Children's Champion

My name is Alfie Harris and I would really like you to vote for me please to be your champion for Rochdale. My motto is T.E.A.M. It stands for; **T**ogether **E**veryone **A**chieves **M**ore. It means I am like the sports player, representing my team of Rochdale Children. The way that I would do this is that I will:

FIND OUT

I will find out as much as I can. I will hold surgeries so I would be able to meet you to listen to your opinions so that I can represent you. I will also arrange for an e-mail address to be sent out so that you can e-mail me privately if you prefer not to come to a meeting. I will ask questions on your behalf to see if the adult authority figures solutions will affect children (e.g. building on children's parks.)

STAND UP

I will stand up for your rights as children. I know that Rochdale has a wide range of cultures and I will do my best to understand and represent the needs of everyone as I believe everyone should have the same opportunities and every single opinion and every single person matters.

SPEAK OUT

I will speak out if I know if things are wrong. I will contact local authority figures such as; MPs, Councillors and the Mayor if it helps children's voices get heard. I'll make sure that your opinion is heard. The picture below is me in the Rochdale Observer when I raised a concern about vandalism at my Grandad's memorial tree.

I already know that many of you want to try new things to do. So, If I'm elected I will ask for a 'Try it Week' where leisure activities offer children our age the chance to try an activity for free if possible, for example, climbing, dancing, horse riding, skating, without committing to a full class or club membership. That way we could all try something new and hopefully find new ways to keep active and healthy.

GIVE BACK

I will make sure I feedback to you from all the meetings I attend. I will do my best to make sure the information is provided in a fun, understandable way for you whether face to face or even on a translatable blog.

Finally: I will always do my best for my team of Rochdale Children!
